

BE A NASA SCIENTIST FOR A DAY

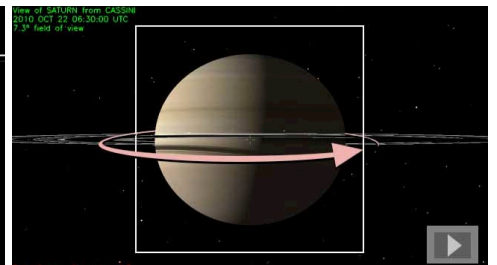

#1 RHEA

#2 TITAN

#3 SATURN

Tell us which of these 3 targets for the Cassini spacecraft is the best choice, and win a chance to teleconference with scientists from NASA's Jet Propulsion Laboratory.

Enter now to win some stellar prizes in the New Zealand Competition, and then compete in the international contest and a chance for you and your classmates to work with NASA!

Entries close Friday, 15th October, 2010

Open to all New Zealand High School Students
