Work in Progress:

We're still working content for our website, and this page/section is not ready yet or has further work planned. Please feel free to contact us if you have any questions, or check back in a little while.

NZ Rocketry Association (NZRA)

A great hands-on way to get started on your space dreams, is to get involved with model rocketry. The NZRA has been launching for almost 20 years - helping enthusiasts of all ages enjoy the rush of launching their own rocket. They hold a National Rocket Day every year around February which is open to the public.

Astronomical Societies

Auckland Astronomical Society	Auckland
Stardome Observatory & Planetarium	Auckland
Canterbury Astronomical Society	Christchurch
Skydome Observatory	Dargaville
Dunedin Astronomical Society	Dunedin
Foxton Beach Astronomical Society	Levin
Franklin District Astronomers	Pukekohe
Gifford Observatory	Wellington

Hamilton Astronomical Society	Hamilton
Hawera Astronomical Society	Hawera
Hawke's Bay Astronomical Society	Napier
New Plymouth Astronomical Society	New Plymouth
Northern Observational Astronomy Association	Whangamata
Northland Astronomical Society	Whangarei
Central Otago Astronomical Society	Alexandra
North Otago Astronomical Society	Oamaru
The Phoenix Astronomical Society	Wellington
Carter Observatory	Wellington
Rotorua Astronomical Society	Rotorua
Southland Astronomical Society	Invercargill
Tauranga Astronomical Society	Tauranga
Wanganui Astronomical Society	Wanganui
Wellington Astronomical Society	Wellington
Whakatane Astronomical Society	Whakatane
Coromandel Astronomy Group	Coromandel
Palmerston North Astronomical Society	Palmerston North
Levin Stargazers	Levin
South Canterbury Astronomy Group	Timaru

A new group looking to establish a space presence in Southland.

NZ Spaceflight Association (Ceased Operation, 2012)

Since 1977 the NZSA has been informing and promoting spaceflight in NZ. This group is a fountain of knowledge, and meet monthly in Auckland to bring updates on the global space scene.
