

MARS-NZ

Welcome!

MARS-NZ is an exciting new project proposed by KiwiSpace.

The project isn't quite ready for broad release yet, but if you've been sent this link to provide early feedback – then please click the links below to access the proposal.

Proposal

Please feel free to download the **current working draft** of the proposal:

- Executive Summary
- [Full Proposal \(~40MB\)](#)
 - Please note that it may take 1 minute for the PDF to be dynamically generated.
